Join the _____ in partnership with 17 South Bay Chambers to support over 200,000 active military and reservist families who live and work in our communities.

The South Bay Association of Chambers of Commerce (SBACC) has a long history of working to support the Los Angeles Air Force Base (LAAFB) in support of our military families!

The SBACC is proud to offer a military discount program and ask that local businesses join us in offering a Military Discount at your place of business. Joining the program not only supports and honors our Military, but also promotes your business. As a participant in the Military Discount Program, your business will receive a decal to place in your store front and electronic logo for your website and social media sites. You will also be included on the Military Discount website page.
