

PROGRAM APPLICATION

CONFIDENTIAL INFORMATION

Leadership Redondo is an exploratory program, designed to connect individuals from the civic, business and general community together to help enhance and strengthen Redondo Beach. It was created in the year 2000, on the notion that the more knowledgeable people are about their community and its needs, the better equipped they will be to lead and serve it. Each year, a group of participants embarks on a 18-month commitment that includes learning the inner-workings of our city and county, meeting and networking with diverse civic and business leaders, cultivating meaningful relationships, and enhancing the community through volunteerism. The 2022 cohort will begin **September 9, 2022**. To apply, complete the information below and submit by **July 11, 2022**.
